Correction: U.S. Attorney Duane A. Evans praised the work of the U.S. Department of Health and Human Services, Office of Inspector General, with assistance from the U.S. Secret Service and the U.S. Postal Inspection Service.

NEW ORLEANS – United States Attorney Duane A. Evans announced that **DENNIS MICHAEL PEYROUX ("PEYROUX")**, age 57, of Slidell, Louisiana, pled guilty on January 8, 2025 to conspiracy to commit healthcare fraud, in violation of 18 U.S.C. §§ 1347 and 1349, in connection with a scheme to bill Medicare for over the counter ("OTC") COVID-19 test kits that were not requested or otherwise ineligible for reimbursement.

According to court documents, starting in November 2022, **PEYROUX** conspired with others to purchase Medicare beneficiary information, including names, Medicare identification numbers, and clearly fabricated recordings of individuals posing as beneficiaries and "requesting" OTC COVID-19 test kits, that **PEYROUX** used to bill Medicare for test kits through his chiropractic clinic. **PEYROUX** then misappropriated the credentials of a former nurse practitioner who worked for him and falsely listed the nurse practitioner as the referring provider on the thousands of false and fraudulent claims. In total, in around six months, **PEYROUX** allegedly billed Medicare approximately \$3.3 million in false and fraudulent claims for OTC COVID-19 test kits through his clinic, for which Medicare reimbursed approximately \$3.2 million. Under the terms of the plea agreement, **PEYROUX** agreed to pay over \$3.2 million in restitution to Medicare. The government also forfeited over \$1 million seized from **PEYROUX's** bank accounts. The Honorable Lance M. Africk set sentencing for April 23, 2025.

At sentencing, the maximum penalty **PEYROUX** may receive is ten years of imprisonment, followed by up to three years of supervised release. He also faces a fine of up to \$250,000 or the greater of twice

the gross gain to the defendant or twice the gross loss to any person under 18 U.S.C. § 3571, or both. **PEYROUX** also faces payment of a mandatory special assessment fee of \$100.

U.S. Attorney Evans praised the work of the Federal Bureau of Investigation in investigating this matter. Assistant United States Attorney Nicholas D. Moses, of the Financial Crimes Unit and Health Care Fraud Coordinator, and Trial Attorney Kelly Z. Walters, of the Department of Justice’s Criminal Division’s Fraud Section, are in charge of the prosecution.
