NEW ORLEANS – Acting United States Attorney Michael M. Simpson announced today that **JOHN CHRISTOPHER BARRILLEAUX ("BARRILLEAUX")**, age 64, of Thibodaux, Louisiana, was sentenced on February 27, 2025 to 30 months in prison, after previously pleading guilty to healthcare fraud, in violation of 18 U.S.C. § 1347.

According to court documents, from 2008 through 2024, **BARRILLEAUX** submitted false claims to private insurance companies for millions of dollars of healthcare services that were not actually provided. To hide the fraud, **BARRILLEAUX** created fake patient notes and submitted them to the insurance companies to support his bills.

United States District Judge Barry Ashe sentenced **BARRILLEAUX** to 30 months in prison, followed by 3 years of supervised release. **BARRILLEAUX** was also ordered to pay \$4,592,650 in restitution to the victim companies, as well as a mandatory special assessment fee of \$100.

Acting U.S. Attorney Simpson praised the work of the Federal Bureau of Investigation in investigating this matter. Assistant United States Attorney Nicholas D. Moses, of the Financial Crimes Unit and Health Care Fraud Coordinator, and Trial Attorney Kelly Z. Walters, of the Department of Justice's Criminal Division's Fraud Section, are in charge of the prosecution.
